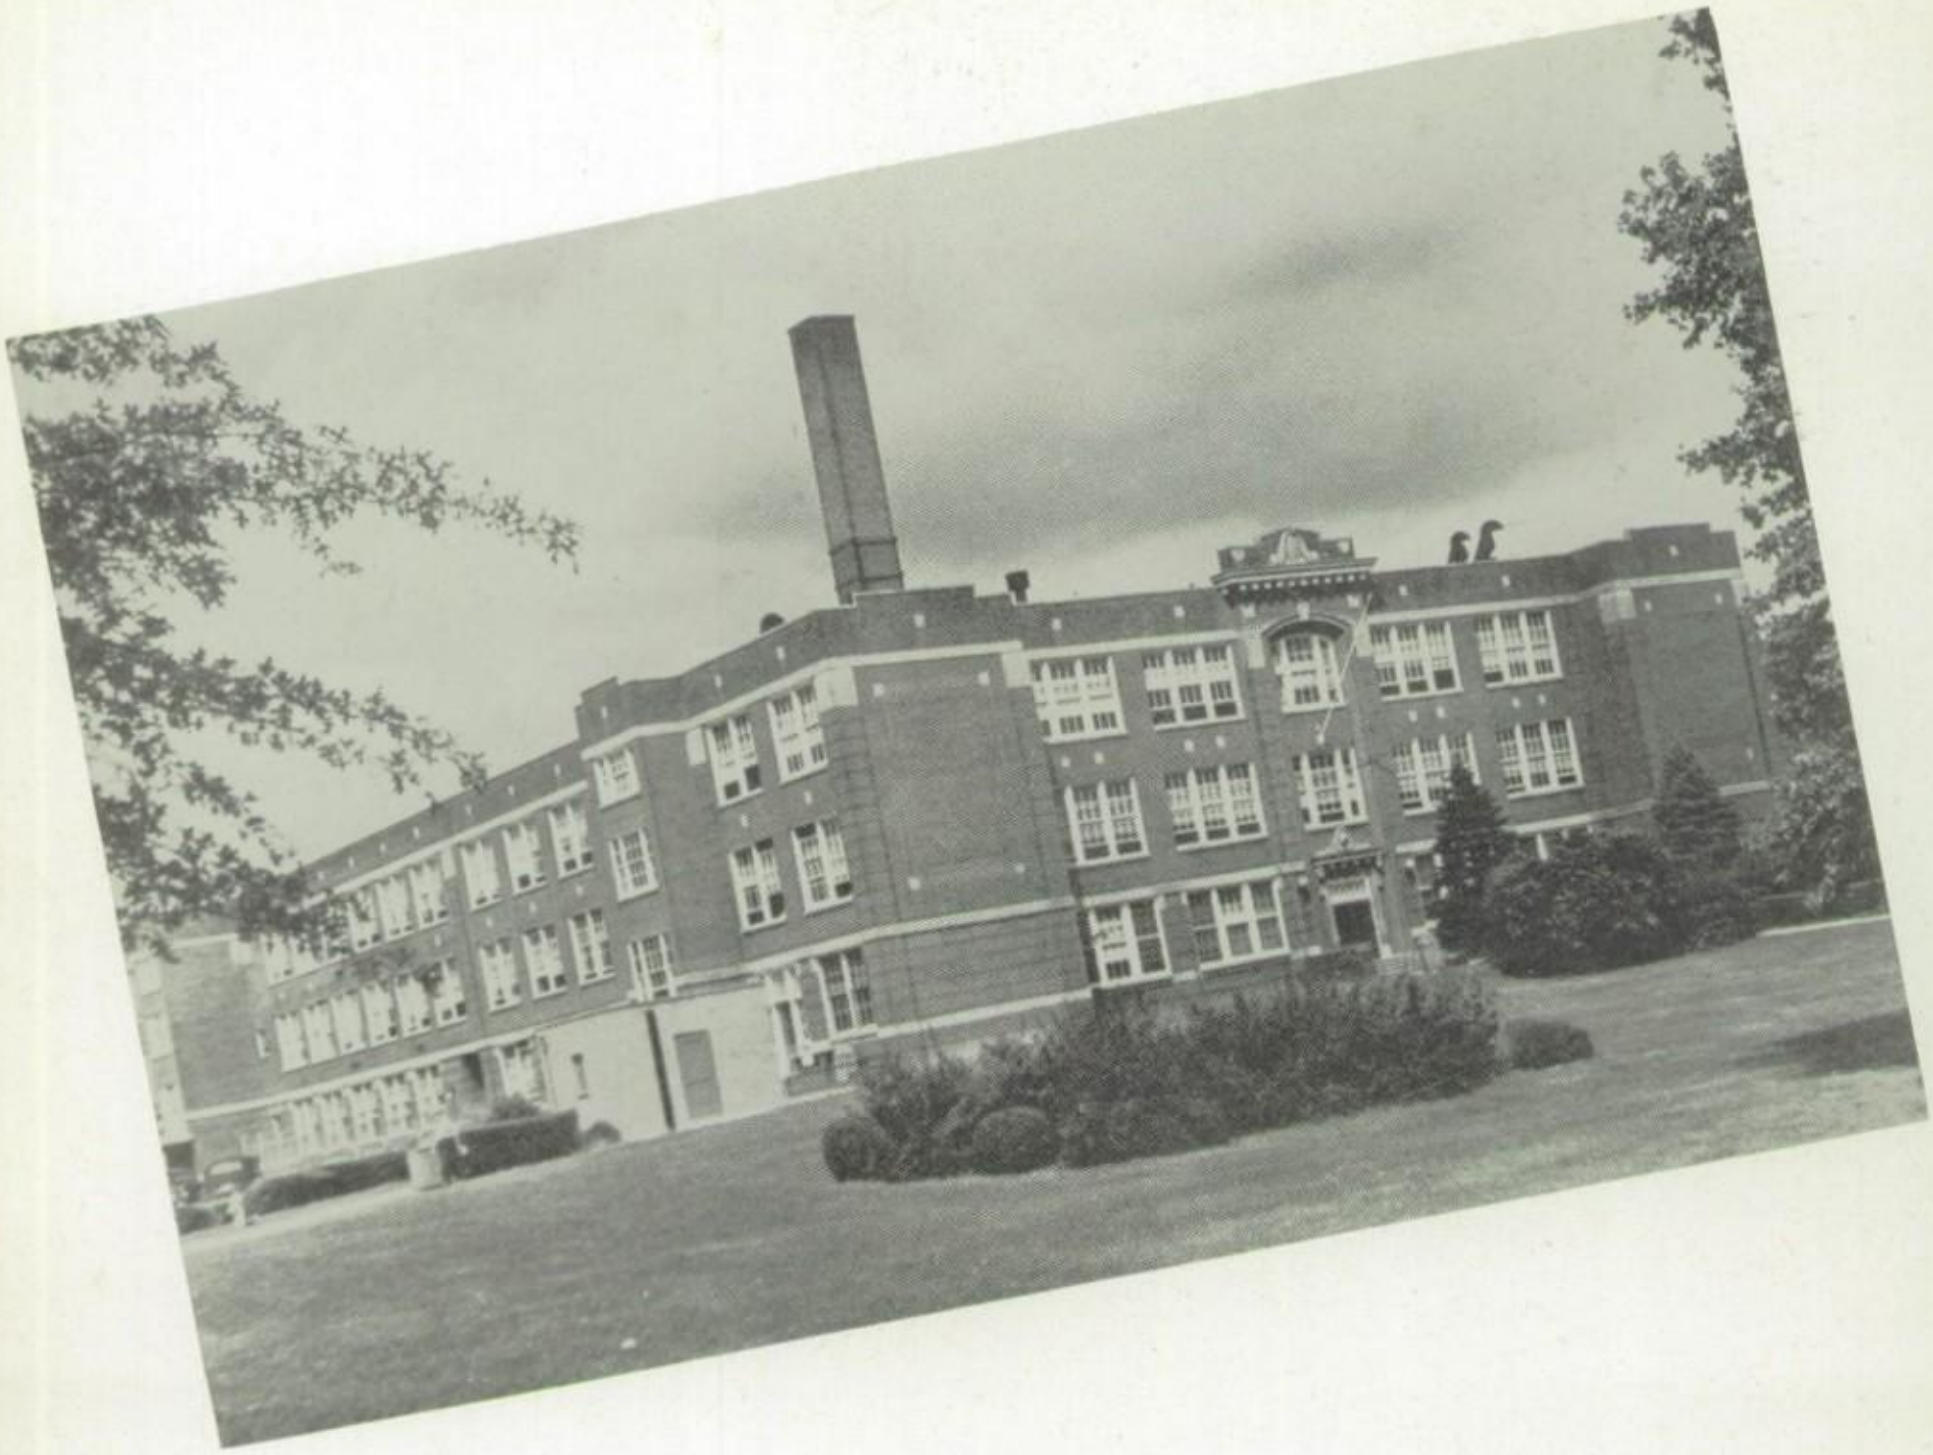
CUYAHOGAN

1958

YEARBOOK

0-7.00

staff

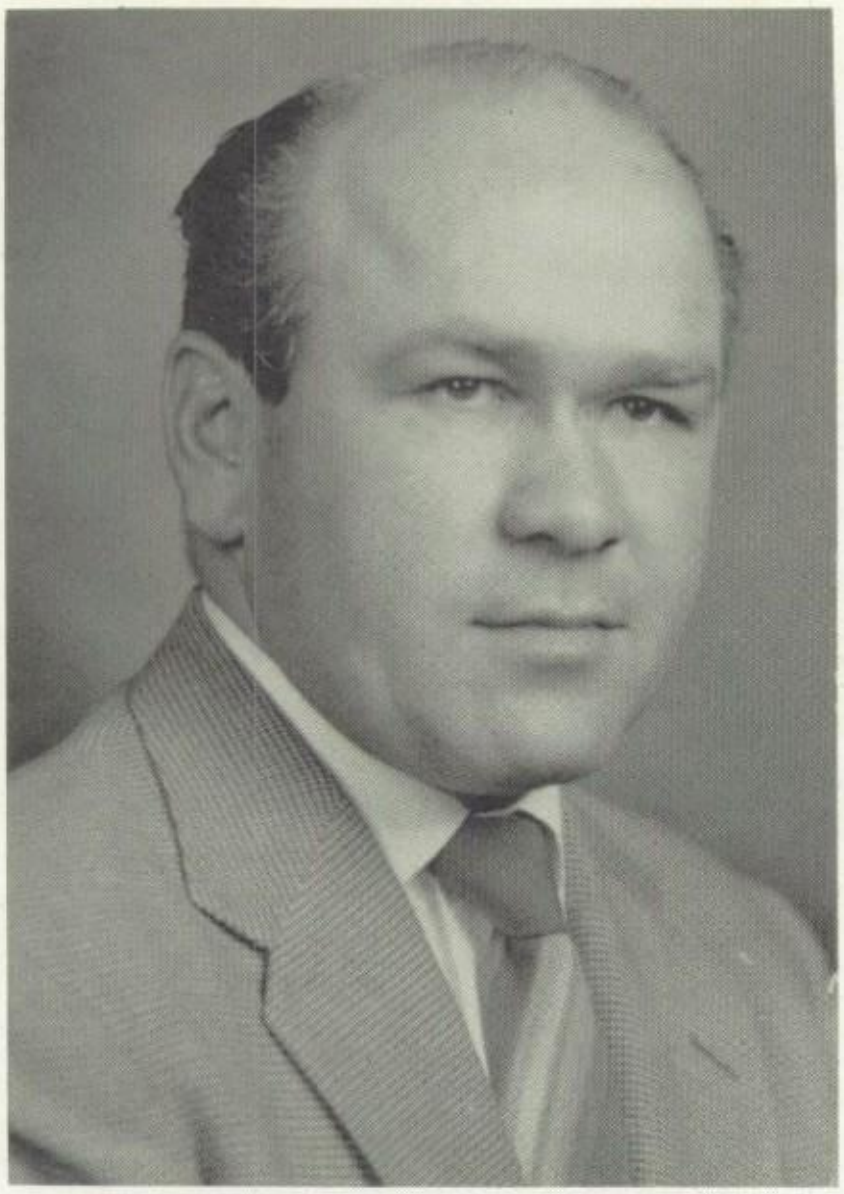


We, the 1958 Yearbook staff, present to you our Cuyahogan. In its pages, we hope you, the students, will find reminders of the happiest time of your life and your high school days. It will serve to recall many pleasant memories of classmates, teachers, organizations, athletic activities, in short, the best of all your high school career.

For parents and teachers may it be a memory pathway of duties well done.

So, let's get on with the book presented to you through the medieval theme.

DEDICATION



MR. PAUL A. NAU

As Seniors of the class of 1958, we are truly grateful for the opportunity of dedicating this, our yearbook, to Mr. Paul Nau. It hasn't been easy to keep this honor a secret from him, as he has worked so diligently with us to prepare our yearbook.

We sincerely believe that he deserves this honor for the unlimited amount of time and effort he has spent as advisor for the Freshman class, German club sponsor, and Activities worker.

Mr. Nau, we thank you for your patience and understanding and for the many hours of work you have given so devotedly to our yearbook.

Board of Education

Standing, Left to Right: Mr. Alan D. Sophrin, Mr. George Cooper. *Seated:* Mr. W. Howard Nicol, Mr. William Reid, Miss Eleanor Shabino.

The Cuyahoga Falls Board of Education deserves a great deal of credit for its dedicated efforts to solve the problems of our entire school system.

The five members, who make up the Board, are elected for a term of two years. They meet twice a month to discuss and solve the difficulties of Finances, Personnel, Building and Grounds, and Health and Safety. These issues form the basic committees which investigate and report to the Board any problems which may arise. The Board then acts as a committee of the whole in rendering its discussions to these particular problems.

We, the members of the 1958 graduating class, are indeed grateful to these unselfish citizens who work so earnestly to improve our school system.

OUR SUPERINTENDENT

FRED BODE

Superintendent F. H. Bode received his B.A. from Heidelburg College and his M.A. from Columbia University.

Mr. Bode is the highest official of the entire Cuyahoga Falls School system, being in charge of all administrative personnel and teachers. He not only has the responsibility for all administration, for interviewing and hiring teachers, but for the education of all children of school age in Cuyahoga Falls. Even if a child is privately tutored, or goes to a private school, or goes to a school for the handicapped, he has the responsibility of seeing that these children are receiving a good education.

With all his other duties Mr. Bode has been instrumental in bringing about many innovations. Among these are a new grading system, junior high schools, and enriched classes.

Mr. Bode is something of a jack-of-all-trades, an excellent farmer, a good carpenter, and a fair plumber.

MR. JOHN STEINHAUER

Assistant Superintendent Steinhauer received his B.S. from Miami University and his M.A. from Ohio State.

Mr. Steinhauer is the one in charge of all properties of the school from books to paper clips. He has charge of all non-teaching employees and is the man in charge of such things as heat and light. You might remember seeing him in one of your classrooms with a light meter or checking the temperature. He also is responsible for all buildings and additions to be built; with this is included the advertising for bids and the specifications for the building.

DR. RUTH CLAYTON

Dr. Ruth B. Clayton, Co-ordinator of Pupil Personnel, is supervisor of all special services in the Cuyahoga Falls School System, including an overall testing program, school psychologists, nurses and health programs, speech therapists, attendance, visiting teacher, guidance in both the junior high and the high school, all special education including slow, gifted, and physically handicapped and a research program.

MR. WARD SECRIST

Mr. Secrist, Co-ordinator of Curriculum, received his B.S. from Kent State University and his M.E. from Pittsburgh University.

As co-ordinator of curriculum, he is the man responsible for the courses of study in the schools; this means not only new textbooks but what parts should be skipped and what additional parts taken. He must also see that there is vertical and horizontal uniformity. That is, see that the work becomes progressively harder and all pupils in the same grade at different schools learn the same things.

OUR PRINCIPAL

GORDON
M.
De WITT
B.S., M.A.

Mr. Gordon M. DeWitt, our principal, received his B.S. Degree from Kent State University and his M.A. Degree at Ohio State University. The teachers at Cuyahoga Falls High School in November, 1954, presented him with a life membership to the National Education Association and earlier, in 1949, the boys at Falls High presented him with a life membership to the Hi-Y. This year he will complete his twenty-third year as principal at our school.

Mr. DeWitt enjoys traveling and amateur photography and has a collection of some 1500 colored slides taken while on his trips. Outside of school he is a member of the Kiwanis club and an active member of the First Methodist Church, where he teaches Sunday School.

Through our four years here at Falls High Mr. DeWitt has been very highly respected for the help and guidance he has given us, both with our studies and social affairs. In future years when our thoughts drift back to the alma mater, Mr. DeWitt will always be first among our memories.

Deans

Dean of Girls

Mrs. Elizabeth Ellis has served as Dean of Girls and Assistant Principal of Cuyahoga Falls High School since 1940. Her duties include various phases of guidance for girls and the care of the girls' attendance records. She is chairman of the Freshman Advisory Committee and advisor for the Cuyahoga Falls Student Council. In addition she teaches two classes of psychology. Her quiet efficiency and calm demeanor will long be remembered by those of us who have felt her influence in our lives.

Elizabeth Ellis, B.S., M.A.

Dean of Boys

Mr. Howard D. Saurer received his B.S. Degree from the College of Wooster and did graduate work at Akron University. He serves as a sponsor for the tenth grade, as advisor for the Hi-Y, and as Faculty advisor for the Cuyahogan business staff. Outside of his busy school schedule, he enjoys gardening and playing golf, and is a member of the Falls Rotary Club. The students of Falls High will remember him not only as a teacher and dean, but also as a friendly advisor to all who seek his counsel.

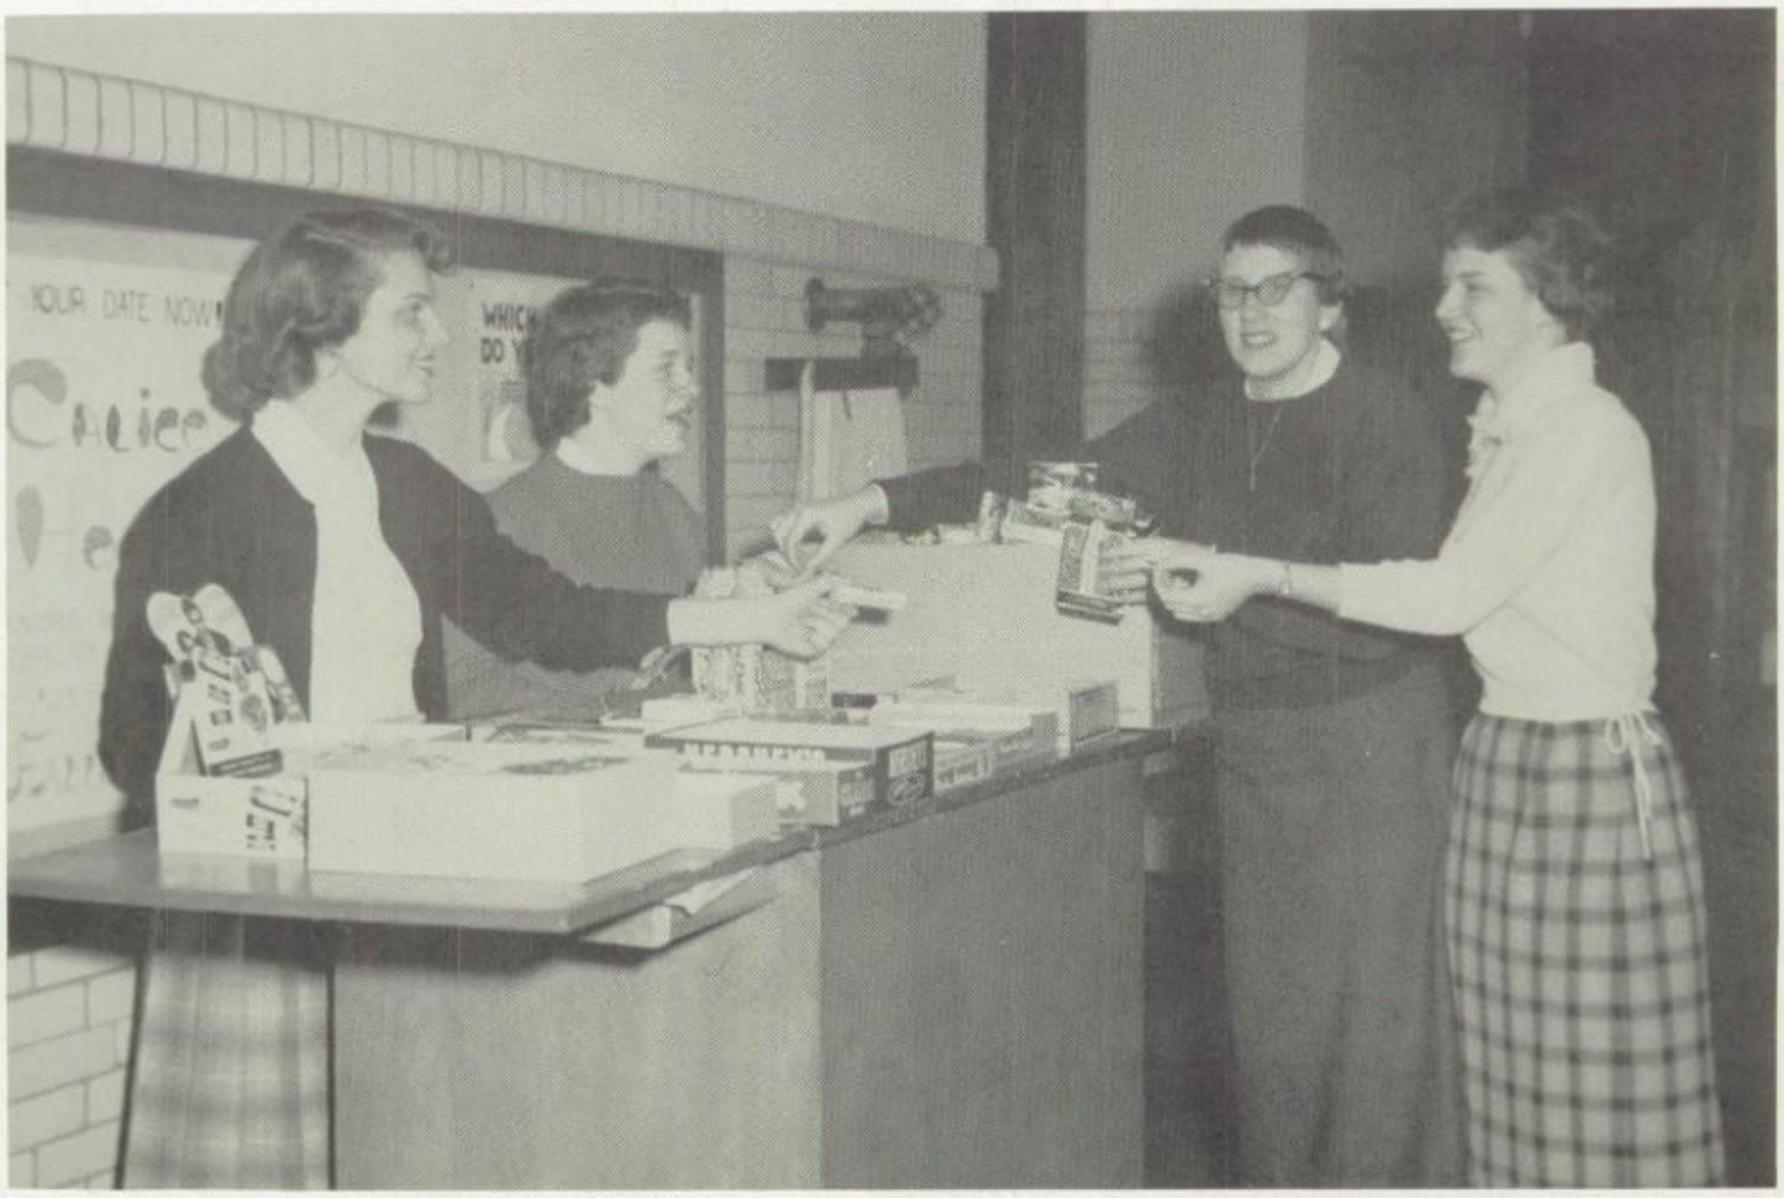
Tiger Tales Project



Selling candy in the front hall after school has been a project of the Tiger Tales staff for about seven years. The profit obtained from the sales serves to supplement the amount of money received from subscriptions, advertising, and sales tax stamp redemption. This money is used to pay the printing cost of the newspaper.

The cart, built to allow easier handling of the candy, was made at the school through the courtesy of the woodworking department. Members of the staff share the responsibility of managing the cart, two persons working together one afternoon per week selling candy and one person taking the responsibility of ordering the candy. The cart is wheeled into the hall for fifteen to twenty minutes after school each afternoon and all candy sales are made at that time.

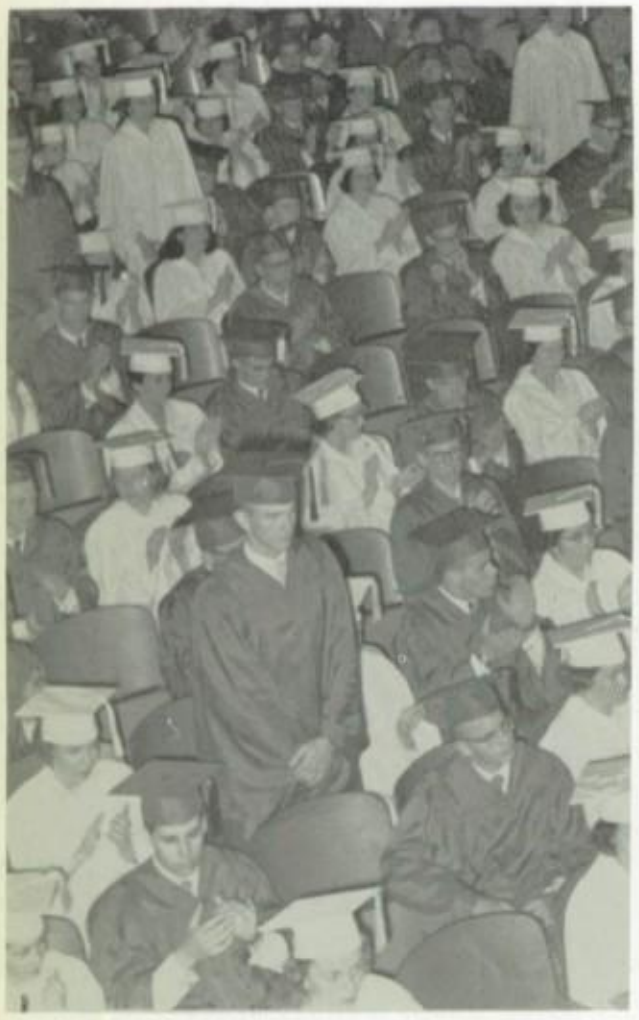
RECOGNITION NIGHT 1957



Recognition Night is a tradition-studded ceremony held each commencement to honor those Cuyahoga Falls High School graduates who have been outstanding in the various high school pursuits. In a sense, of course, all those who have met the requirements for graduation are honored—but this is an attempt to single out and honor those students who have attained the highest standards of achievement in recognized areas of school leadership.

Unfortunately, we are unable to make mention of all students who received awards. These pictures, however, portray some of the high-lights of the June, 1957 Recognition Night ceremony.

Val Jekkals receives the coveted George A. Pinkerton Manhood Award from Mr. Howard Saurer, *Dean of Boys.*

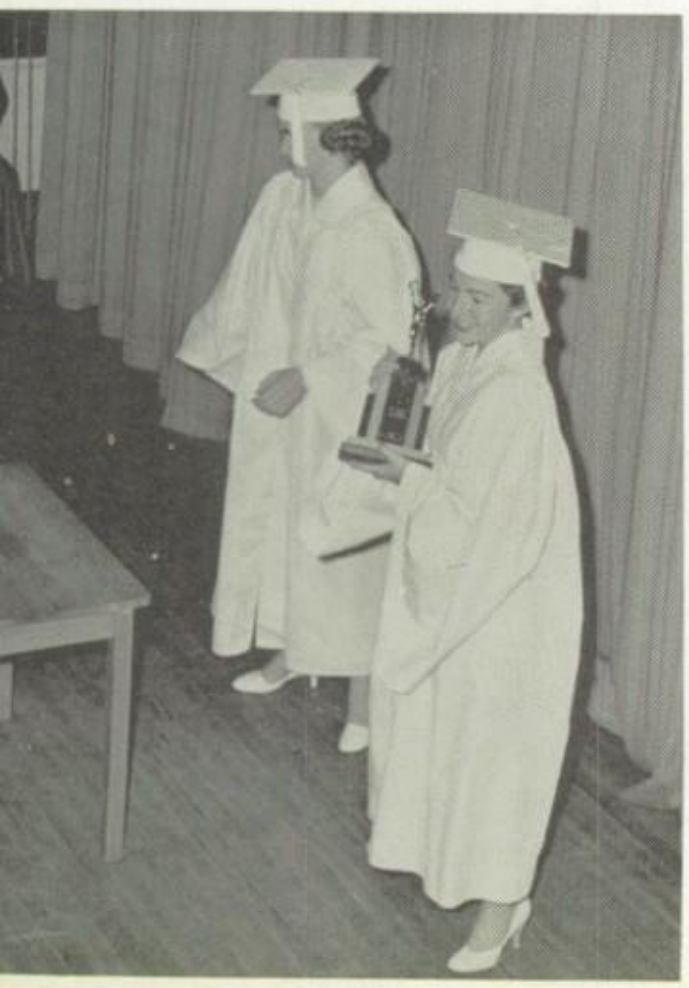
John Hardy, *president* of the 1957 graduating class, presents Bill Disbro, *president* of the 1958 graduating class, with the key to the Senior Class. With the key goes good luck in the future.

Judy Walker is shown receivin the Rowena Ross Womanhoo Award trophy from the *Dean o Girls,* Mrs. Elizabeth Ellis.

Mr. Wright presented Ray Mohr with the Femco Award.

Donald Barns was presented the Welker-Lee Science Award by Mr. L. D. Watson, science instructor.

reen Phillips, *ex-president* of Booster Club, shown presenting Mary Perdriau with the oster Club Award.



David Cyrill is presented the Athletic Award by Bill Moore.

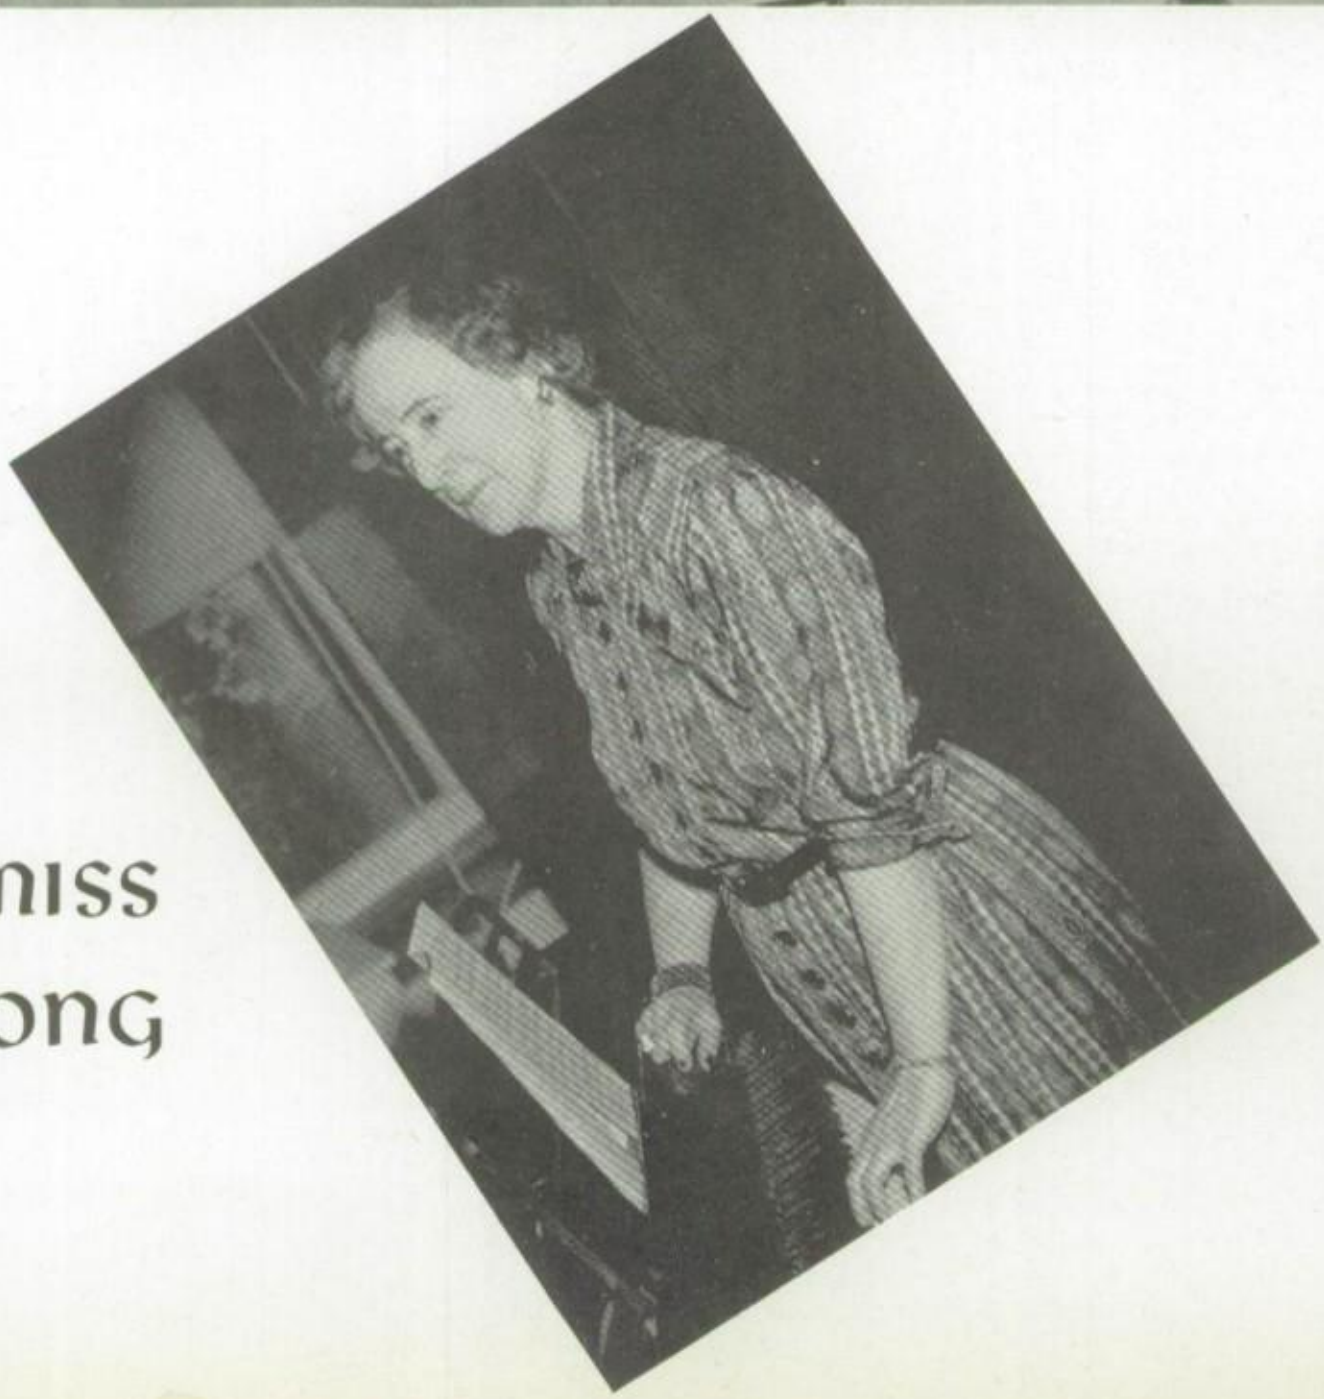
words and



miss long

music

"Words and Music" was presented by the a cappella choir during April, 1957.

The action takes place on the campus of Barton college and concerns the writing of the words and music for the annual Barton operetta. Two of the school's most sedate professors volunteer to do the writing, much to the anguish of the student body. The parts of the professors were played by Pat Myers and Tim String who gave very convincing performances. Many hilarious situations arise.

With the help of John and Mary, youthful school secretaries, all ends well, and the Barton operetta is a success. John Hearty and Marcia Medkeff were excellent in the secretary roles.

Over nine hundred people attended the performance of "Words and Music" which was a tribute to the hardworking choir members and their director, Miss Josephine Long. After all expenses were paid the choir was able to deposit over three hundred dollars on the debt for the new Baldwin grand piano in the auditorium.

The Cuyahoga Falls Black Tigers basketball team finished the 1957-58 season with an 11-6 record. Although this was not as good as the phenomenal 18-1 mark the year before, the Tigers played some of the state's better teams, making a good showing against all of them. They won their first four games before being derailed by an under-rated St. Mary's quintet in the Lions Invitational Tourney in December.

On December 27, the Falls racked up their biggest margin of victory by lashing Steubenville 90-52. This avenged the loss which ruined Falls' string of 18 straight wins the year before.

The Falls lost two heartbreakers to St. Vincent 47-49, and 40-41. Their last two games of the season were losses handed them by Findlay and Mansfield. In both cases Falls was in the game almost all the way, only fading in the final minutes.

The Falls was led by captain and four-year man Harry Kalbaugh. The starting lineup also included Barry Anderson, Bob Randall, Bill Knights, and Denny McInteer. Others seeing action frequently were Jerry Johnson, George Miller, Jack Edmund, and Don Cole. Those returning next year will be Knights, McInteer, and Cole.

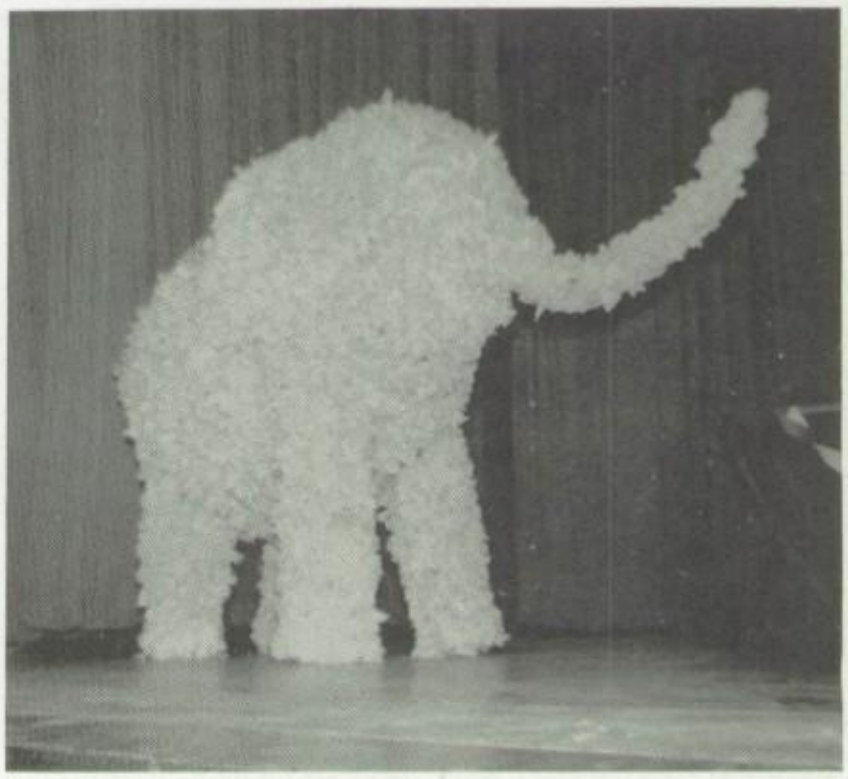
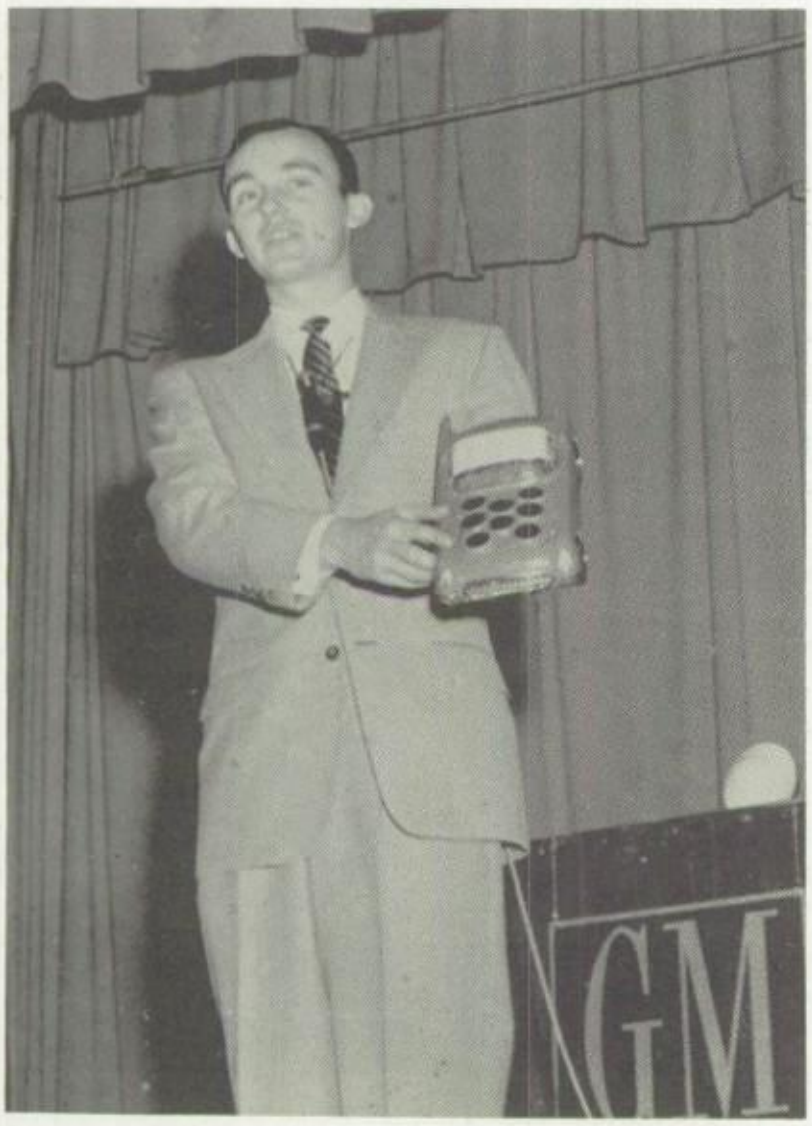
The most spectacular and most colorful campaigning for city youth and government officials was conducted by the 1958 Senior class. One of the most outstanding features was the Republican elephant made by several of the girls of the Republican party. The donkey of the Democratic party found its way around by going from room to room making campaign speeches. For both parties there was campaigning before and after school and each had its rally to introduce its candidates. After two weeks of enthusiastic campaigning, the candidates were voted upon by the senior class. The ones elected took the city officials' places this spring for one day of running the city of Cuyahoga Falls.



Bill Disbro presents Mrs. Parr, who is one of our senior class advisors, with a wedding gift from the 1958 Senior class.



General Motors Institute presented a challenging assembly on the future possibilities of the uses of science in our everyday life. The use of rocket propulsion, solar batteries and how they could be used for running a car, gyroscope controlled suitcase, and the latest in automation were demonstrated.

Mr. Joe Kotys, the Health teacher at Falls High, demonstrates some gymnastic techniques to the students at Falls High. Assisting him are some of his students from the Y.M.C.A.

OUR ADVERTISERS AND PATRONS

We, the advertising staff of 1958, wish to express our deep appreciation to all of the merchants and businessmen of this town without whose cooperation and financial support the publishing of this yearbook would not have been possible. Everyone on the staff agrees that it has been a pleasant experience to work with these businessmen and in our association with them, we have found their interest and willing facilitation very gratifying. It is very reassuring not only to us on the advertising staff but to everyone in the school to realize that we have the support of so many fine business establishments in our town. We clearly recognize that through advertising in our yearbook, the businessmen are showing concern for the youth of our community as a whole and we are proud to live in such a community. As the businessmen of this town have given us invaluable aid in completing this yearbook, we sincerely hope that this section of their advertising will greatly benefit them.

ORGANIZATION-MAN!

As editor of the 1958 Cuyahogan, I would like to express my most sincere gratitude to everyone who helped make this yearbook a success.

I can't begin to list each person individually because there are so many who played an important part in this production. However, I would like to take this opportunity to thank everyone on my staff for his wonderful co-operation: Miss Haberkost for her assistance in typing, Mrs. Roubaud for her artistic contribution, Mr. Moore for his photography work, and last but far from least Mr. Nau for his many hours of time and toil.

I would also like to thank each one of you who bought a yearbook. Without your subscriptions, there could have been no yearbook.

Sincerely,
Carol Vinciguerra

Post Script: The Yearbook staff of 1958 wishes to express its eternal gratitude to the Inter-Collegiate Press and to its district salesman, Don Leahy, for their patience in working with us. We know that without their cooperation over and above the writing of the contract, our Yearbook would never be available to us in time for delivery before the close of school.

Sharon,
always stay as sweet
as you are. Lots of Luck!
